

My C. Gunn

Feb. 25 1906.

Dear Carl, Gammas I & L
and Grandma. - I was
very glad to hear from
you again. I am very well
except a blister on one heel
which I got from walking
around so much to-day.

Another boy and myself
took the car out to Fort
Snelling we walked all over
the place looking at the
cannon, horses and other
things. Then we took
a car to St. Paul and
got a transfer to the
Coma Harriet car which

goes through Coma-fark
and then into Mpls.

We have had a week of
very warm weather, but
it is a little bit colder
to-day. I suppose that
there has not been much
of any sleighing in St. Peter
we have had some very
nice sleighing but it gets
worn out so quick here
in town.

A friend of mine took
me roller skating last
night we skated until
half past one o'clock
and I did not get up
until half past eleven
to-day. I did not fall
down at all.

but I was just as
dirty as a coon (nigger)

I am a soldier boy in
the National Guardsman

I have got a regular
soldier suit and have to
go down and drill every
Tuesday evening

Next ~~week~~ fall I will have
to go to camp with the
rest of the company at
Lake City for two weeks
we get \$1.50 a day when we
are out at camp.

Please say Hello to
Mr. Oman for me.

I am sorry that Grandma's
cough is worse, but she
will very likely get

I got the money last
night. Did you give Olsen
his money.

better as soon as the
weather improves.

Say Carl did my
skates fit you all right
or probaby you have not
had a chance to try them
on.

Well I will have to
close now for I have a
couple more letters to
write and I want to go
to bed at 10: and it is
after nine now.

So good by write soon
Albert.
